

TRAINING CERTIFICATE IN GIFTED AND TALENTED EDUCATION

COURSE DETAILS

PROGRAM OBJECTIVES

- ☉ To understand the concept of gifted and talented education.
- ☉ To understand the needs of children who are gifted and talented.
- ☉ To screen and identify children who may be gifted and talented.
- ☉ To identify and implement evidence-based teaching strategies.

CURRICULUM TRANSACTION

Curriculum transaction will involve both theory and practicum. Theory sessions will be conducted online every Wednesday and Thursday in the evenings, with offline classes held at SEED on the second Sunday of each of the four months. The practicum will be arranged in schools for candidates who are already working as a general educator / special educator / counselor. For those who are not, practicum will be arranged in our partner schools.
