

TRAINING DIPLOMA IN SPECIAL & INCLUSIVE EDUCATION

COURSE DETAILS

PROGRAM OBJECTIVES

- ☉ To understand the concept of special and inclusive education.
- ☉ To understand the needs of children with neuro developmental disorders.
- ☉ To create an inclusive school and classroom learning environment.
- ☉ To screen, identify, assess, program, and teach SofD
- ☉ To prepare and use appropriate teaching-learning materials.
- ☉ To identify and implement evidence-based teaching strategies.

CURRICULAR TRANSACTION

Curriculum transaction will involve both theory and practicum, and will be conducted in hybrid mode. Theory sessions will be held on online mode twice-a-week and one compulsory offline session arranged on one Sunday in a month. The practicum will be arranged in schools for candidates who are already working in a school environment. For those who are not, practicum will be arranged in our partner schools daily for 4 hours.
